I Purpose

The purpose of Language, Literacy and Numeracy (LLN) Policy and Procedure ('the Policy') is to ensure that courses developed and delivered by Hallmark Institute ('the Institute') are in accordance with the language, literacy, and numeracy requirement of the units of competency that form part of those courses.

This Policy is designed to identify and adequately support the LLN needs of students throughout their learning journey at the Institute.

2 Scope

2.1 This Policy applies to all staff, students, including potential students and enrolled students, in a Vocational Education and Training (VET) course of study with the Institute.

3 Policy Statement

- **3.1** Hallmark Institute aims to provide a positive and rewarding learning experience to all students. This Policy is designed to ensure that students with LLN needs are identified in a timely manner and are provided with adequate LLN support.
- **3.2** Hallmark Institute has pre- and post-enrolment procedures to determine whether a student's LLN level meets the course requirements of their desired course. Those procedures are aimed to help prospective students make informed decisions about selection of courses.

4 General Principles

- 4.1 LLN levels are reference numbers given to a student's performance and/or a Training Package in each of the 5 core skills; learning, reading, writing, oral communication and numeracy. These levels have been developed by the Australian Core Skills Framework (ACSF). The reference numbers describe the degree of LLN skills performed by a student or what the student needs to demonstrate as per a Training Package's requirements.
- 4.2 Hallmark Institute maintains the ACSF levels in its practices to ensure the Institute is in alignment with nationally recognised LLN matters. LLN assessment is designed to identify the learning, reading, writing, oral communication and numeracy skills required by the VET sector for successful completion of VET courses at the Institute.
- **4.3** Hallmark Institute conducted pre-enrolment assessment of LLN skills for all students as a formal entry requirement.
- **4.4** Hallmark Institute is committed to identify and support student's LLN needs.
- **4.5** Hallmark Institute is committed to be compliant with regulatory and industry requirements in relation to LLN support for its courses.
- **4.6** Hallmark Institute enrolment processes include opportunities for students to disclose in a confidential manner LLN difficulties, Learning Disabilities and/or need for support.
- **4.7** Hallmark Institute committed to provide post-enrolment LLN diagnostic assessment to students where identified concerns exist as part of support services.
- 4.8 In the event that a Trainer & Assessor identifies students with LLN difficulties, they will collaborate with the Academic Manager to implement appropriate strategies to assist them with their learning. For example, course materials and assessment tools may be developed by qualified Trainers & Assessors if required.

5 Procedures

Hallmark Institute procedure to deal with LLN assessment and support is as below:

- a) Individual Learner LLN Support Needs Diagnosis Process:
 - I. Pre-enrolment process:
 - All the potential VET students must complete the LLN test before they commence their study at the Institute;
 - Hallmark Institute designed the LLN assessment in accordance with the ACSF standard with a set of questions evenly focused on Language, Literacy and Numeracy;
 - Students must achieve 50% of the score to be successfully commenced their course at the Institute:
 - Students have more than one opportunity to do the LLN assessment in order to achieve a 50% score.

II. Post-enrolment process:

- Hallmark Institute committed to provide necessary and adequate LLN support to all student throughout their education journey at the Institute;
- Hallmark Institute Trainers & Assessors are committed to provide additional training session based on individual student's needs to improve LLN skills;
- To support Trainers & Assessors in their understanding and application of LLN support in the classroom, the Institute will conduct in-house Professional Development to inform Trainers & Assessors how to deal with LLN issues and to inform Trainers & Assessors of the language, literacy and numeracy standards expected within the Institute's courses.

6 Reasonable Adjustment

- 6.1 Hallmark Institute committed to make reasonable adjustments to the assessment procedure to allow for the LLN needs of students without compromising the integrity component of the assessment. For example, people with physical disabilities, hearing problems etc.
- **6.2** Depending on the specific types of assessment, not all adjustments are possible, appropriate, or permissible. For example, allowing the use of an interpreter where an assessment specifically requires demonstration of English communication skills would invalidate that assessment.
